Dear Customer.....

NBB have been trading for 26 years and have fast become the UK's leading manufacturer of 100% recycled plastic furniture. Our products are made in the UK, and we are so confident in the quality they're complete with a **25 year guarantee**.

We have over 100 new products including **outdoor seats** and **table sets, benches, picnic tables** and our '**Designed For Little Ones**' collection. We are sure to have something to suit your needs, and if we don't then you can contact us for a quotation to have something made specifically for you!

Furthermore, we have added heavy duty ranges, see page 39 for the **Heavy Duty Refectory Picnic Table** it's 3000mm long and can seat up to 12 people. Also, on page 11 our **Heavy Duty Octagonal Table** and **Heavy Duty Picnic Table** from only £350 each. 100% recycled furniture is **maintenance free**, meaning once placed outside you will not need to worry about the furniture for at least 25 years!

We look forward to dealing with you soon!

Kind Regards

The NBB Team

P.S - Don't forget we offer free delivery to all UK mainland addresses, and as we manufacture the items in our own factory there is a fast turnaround for you.

# WHY RECYCLED PLASTIC IS BETTER

Recycled plastic has been proven in use over many years of outdoor applications including **fencing**, **playground equipment** and **outdoor** or **street furniture**. Recycled plastic is a great 'eco-friendly' alternative to timber and has a number of fantastic benefits - not to mention it can **last up to 5 times longer** than wooden furniture! See below for our **top reasons** to switch to recycled plastic furniture today.

## YES TO HARDWEARING RECYCLED PLASTIC

## NO TO TIMBER ROT

## Reasons To Switch To Recycled Plastic:

1. Guaranteed for up to 25 years
2. Lower whole-life costs compared to timber
3. Visually similar to timber but available in a great range of vibrant colours
4. Extremely tough and durable
5. Requires little or no maintenance
6. Will never rot, crack, peel or splinter
7. Resistant to graffiti and more resilient to other types of vandalism
8. Less flammable than timber (rated Class 3, in accordance with BS476)
