Indoor - Loose Lay Carpet Mats Heavy Duty

166 Guzzler™

Indoor - Medium traffic

166 Guzzler™

Tough, long-lasting carpet mat with raised rubber borders on all 4 sides acts as a containment barrier and can hold up to 6 litres of water per square meter. The raised waffle pattern works double duty to remove and trap dirt and moisture.

Rubber reinforced borders and backing provide maximum strength. Cleated backing minimizes movement on all surfaces and keeps mat elevated allowing wet hard floors to dry underneath.
