Step 1 Place table top on a soft, flat surface.

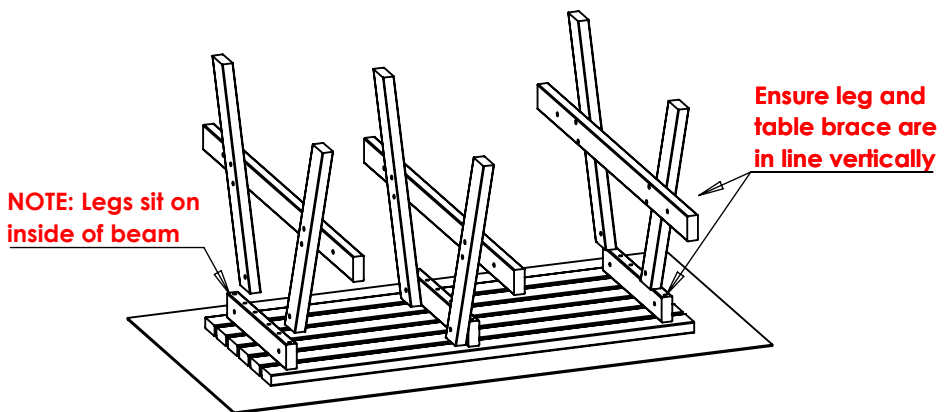

Step 2 Assemble the A frames by attaching the legs to the cross beams with the nuts and bolts supplied, using 2 washers per bolt.

Do not over-tighten bolts during assembly as small adjustments will help parts fit.

Step 3

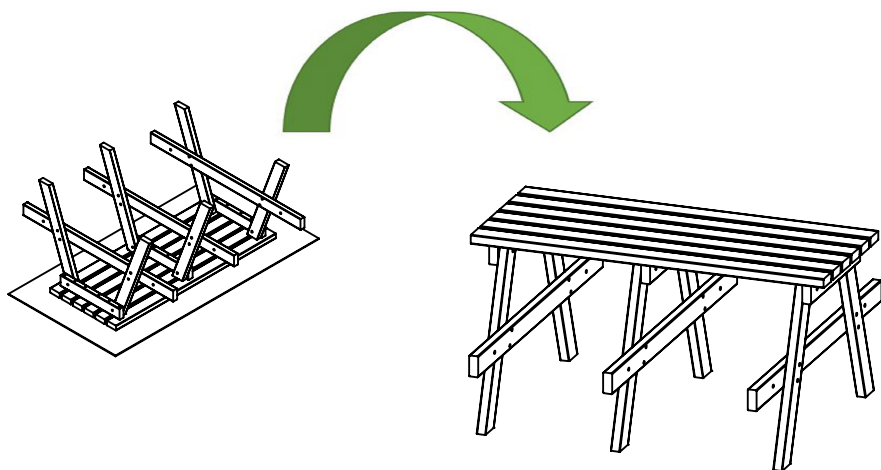

With the table top in place attach the legs in the orientation shown below, with the nuts and bolts supplied, using 2 washers per bolt. Use both the spanner and the allen key to secure the bolts.

Do not over-tighten bolts during assembly as small adjustments will help parts fit.

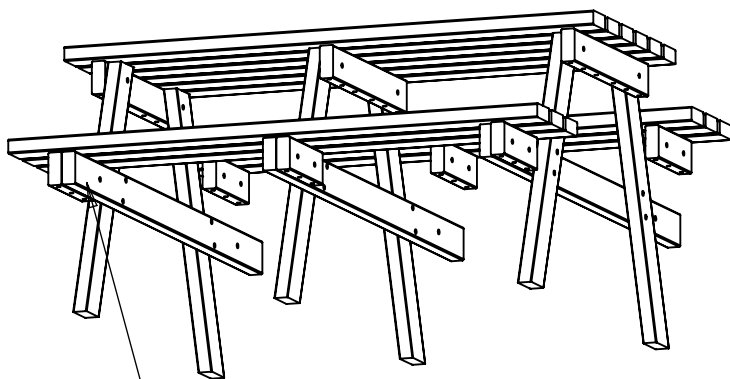

Step 4

Flip table using two people.

Step 5

Place seats on A-Frames and fasten with bolts supplied.

NOTE: Only 1 hole used on seat brace
