This product is RoSPA Compliant
All NBB Outdoor Play equipment is built to RoSPA Standard

"The Royal Society for the Prevention of Accidents (RoSPA) is a leading voice in health and safety that campaigns to reduce avoidable accidents at home, on the road, at work and at leisure. Our vision is to create a life free from accidental injury, and with the support of our members, this is at the core of everything we do."

RoSPA's Play Safety Department provides expert advice and information on the management and safety of both indoor and outdoor play areas. NBB is proud to be working in partnership with RoSPA to ensure all Recycled Plastic Outdoor Play equipment is designed and manufactured to meet the RoSPA Standard.

★ NBB ★ PRICE PROMISE

GUARANTEED TO BEAT ANY LIKE-FOR-LIKE BESPOKE QUOTE

We Won't Be Beaten On Price!

You can **save up to 50% on best-selling like-for-like shelters and street furniture versus competitors** (correct as of March 2026). We're so confident of our competitiveness - regularly checked to ensure you're getting the very best value - that we offer a price promise on like-for-like shelters and street furniture.*

We are confident that it will be hard to find anything of comparable quality from anyone else, for less. But if you do, just call our friendly sales team on 0800 1777 052 or email us at sales@nbboutdoors.co.uk with the details of your quote and its price - as long as it's like-for-like, we will beat it!**

*NBB Outdoors will need to verify each quote is 'like-for-like in order to beat the price. **Please note this does not apply to any orders that have already been processed or delivered.

Buy On Account With NBB Outdoors

NBB Outdoors are delighted to offer our customers a **Credit Account facility** to make the purchasing process quicker and easier, **when ordering from our catalogues** over the phone.

All our credit accounts have **30 days credit** as standard and are available for all established UK businesses, schools, local authorities or public sector organisations.

There's no minimum order value and credit terms extend to up to 100% of the value of your purchase. If you would like **more information** on our credit accounts, please call our sales team on **0800 1777 052** or email at **sales@nbboutdoors.co.uk**

Why NBB For Your Bespoke Project?

We Won't Be Beaten On Price

Our renowned Bespoke Price Promise guarantees we won't be beaten on price when it comes to custom shelter projects. That's why if you happen to have a cheaper quote for a Bespoke Walkway Shelter from another organisation, we'll beat it! We are confident that it will be hard to find anything of comparable quality from anyone else, for less. But if you do, just call our friendly sales team on 0800 1777 052 or email us at sales@nbboutdoors.co.uk with the details of your quote and its price - as long as it's like for like, we will beat it!*

*NBB's Bespoke Price Promise applies to bespoke freestanding and wall attached walkway shelters only. *NBB Outdoors will need to verify each quote is 'like-for-like in order to beat the price. **Please note this does not apply to any orders that have already been processed or delivered.

Market-Leading Shelter Guarantees

At NBB we are pleased to offer a market leading no quibble guarantee for all bespoke shelters, for your peace of mind. All our bespoke shelters are manufactured to the highest BS EN and ISO standards right here in the UK, and we apply anticorrosive coatings to all steel frames, ensuring they will stand up to the rigours of use and everyday life for years to come!

Buy Now, Pay Over A Longer Period!

When you order a bespoke shelter, you can take advantage of our extended payment terms. We understand the funding challenges that schools and businesses face, so we're dedicated to developing customised payment plans to suit your needs. Whether it's a small project or a major overhaul, our flexible 90 day+ payment options make it easier than ever to bring your vision to life. Contact our sales team today to explore how our payment plans can turn your project ideas into reality.*

*The customer will agree to pay the full invoice amount less any deposit already paid within 90 days from the date of invoice unless otherwise agreed in writing. Standard products are not included in this extension. NBB reserves the right to change, amend or end the payment terms extension at any time. Retrospective payment term extensions are not available.

Free Personalised Entrance Sign With Your Bespoke Order

Whether you're a business or school, a branded entrance sign goes beyond marking your premises. It creates a strong first impression, reinforces your brand identity, and helps visitors easily identify and navigate your location.

Understanding the value of this, we're including a completely bespoke, branded entrance sign with every bespoke shelter order—absolutely FREE of charge! It's our way of helping you maximise the impact of your investment while strengthening your brand's presence.

- For bespoke orders, we'll ask you as part of the process whether you'd like to redeem your free sign offer as part of the project - you don't need to request it.

Bespoke Wall Attached Canopy Shelter

School Objective

Castlecroft Primary School required a high-quality outdoor shelter to create a covered seating area for pupils, providing protection from the elements while improving year-round use of the space. The solution needed to integrate with existing sports facilities and offer a practical area for rest, social interaction, and outdoor learning, while accommodating ground levels and drainage. A durable, well-designed shelter was chosen to enhance comfort and maximise outdoor use without disrupting daily activities.

NBB Outdoors' Solution

NBB Outdoors supplied and installed a bespoke Winterbourne Wall Attached Shelter (L9000mm x D4000mm x H2400/3035mm), finished in Blue RAL 5002 to complement the surrounding sports area with a bright, modern look. For long-term stability and a clean finish, posts were sub-surfaced, with surrounding ground reinstated to create a neat, consistent surface. Ground-level guttering was also installed to manage rainwater in line with existing drainage. The project was completed following a pre-installation survey and close coordination with the school to ensure safe, efficient delivery.

Summary

NBB Outdoors delivered a durable, visually appealing shelter for Castlecroft Primary School. The Winterbourne shelter provides a spacious, weather-protected seating area, enhancing outdoor usability. With robust construction and a bespoke design, it integrates seamlessly with existing facilities while supporting pupil comfort and encouraging year-round outdoor use.

The Hamble School

Year Completed
2025

Location
Southampton

Industry
Education

School Objective

The Hamble School required a versatile, weather-protected outdoor area that could be used throughout the year for lessons, breaktimes and lunchtimes. The aim was to maximise the usability of outdoor space while providing shelter from the elements, creating a comfortable environment for both learning and social activities. The solution needed to be durable, low-maintenance and seamlessly integrate into the existing school setting.

NBB Outdoors' Solution

NBB Outdoors supplied and installed a bespoke Branksome Shelter, measuring 20,000mm in length and 5,600mm in depth. The structure was sub-surfaced and engineered with enhanced structural components, including upgraded beams, rafters and posts to ensure long-term strength and stability. Finished in Blue RAL 5002 with Triplex coating for a 25-year guarantee, the shelter also incorporated guttering to manage rainwater effectively. Installation was carried out efficiently on site, with full consideration given to access, safety and school working requirements.

Complete Outdoor Solution

In addition to the shelter installation, the school took advantage of NBB Outdoors' extensive product range to fully furnish the space. Durable seating and tables made from 100% recycled plastic were installed, providing a sustainable, low-maintenance solution for daily use. The area was further enhanced with 'Simpler Recycling' compliant litter bins from the facilities management range, helping to maintain a clean and organised environment. By sourcing everything from one supplier, the school was able to upgrade its outdoor space quickly, efficiently and with complete consistency.

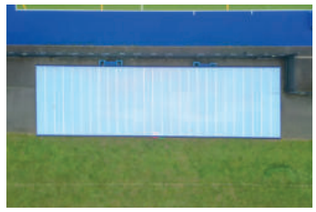

Summary

NBB Outdoors delivered a high-quality, bespoke shelter that transforms outdoor space into a practical, all-weather environment. Combined with sustainable furniture and essential site accessories, the project provides a complete outdoor solution for learning, dining and social use. Designed for durability and everyday performance, the finished space enhances the school grounds while supporting pupils and staff year-round.

***MORE PUPILS AND STAFF** are choosing to cycle or scoot to school than ever before — but without proper storage, bikes and scooters can quickly become damaged or insecure. Providing safe, weather-protected parking encourages active travel, reduces congestion at drop-off times, and promotes healthier, more sustainable journeys for your school community.*

***NBB Outdoors** are the trusted choice for schools nationwide, leading the way in innovative in-house design, robust UK manufacturing, and unbeatable product guarantees. Every cycle and scooter shelter is built to last, giving you complete peace of mind that your investment is safe, secure, and built for years of daily use.*

These icons will help you identify the right cycle product for your school's needs:

MADE IN BRITAIN

Manufactured in the UK

NBB Outdoors is proud to be a member of Made in Britain, representing excellence in British manufacturing. Every cycle shelter and storage solution bearing this mark is designed and built to the highest standards, right here in the UK — a true symbol of quality, authenticity, and trust.

MARKET-LEADING GUARANTEES

Between 5 and 25 years

At NBB Outdoors, our UK-made cycle shelters and parking products are built to last and backed by market-leading, no-quibble guarantees. Manufactured to BS EN and ISO standards with anti-corrosive coatings, they're designed to withstand years of daily school use — and if any issue arises, we'll repair or replace it without fuss.

FREE DELIVERY

On all orders over £250

NBB Outdoors offers Free Delivery on all orders over £250, helping schools make the most of their budgets. Whether you're buying a single cycle shelter or fitting out multiple areas for bike & scooter storage, your order will be delivered quickly and efficiently by our trusted UK logistics network, ensuring products arrive safely without delay.

SCHOOLS ACROSS THE UK depend on NBB for effective facilities management, helping thousands keep their sites safe, organised and operating smoothly. Having the right equipment in place is essential. From managing waste and guiding pupils safely around the grounds to controlling vehicle access and maintaining compliance, well-chosen facilities products create a cleaner, safer and more efficient learning environment for everyone.

NBB Outdoors supply one of the UK's widest ranges of school-focused facilities management solutions at unbeatable prices, combining practicality, trusted quality and fast delivery. Our one-stop shop of Facilities Management products is packed with essentials for everyday school use, giving you confidence that your site is well equipped, easy to maintain and fully prepared to support pupils, staff and visitors throughout the academic year.

These icons will help you identify the right facilities product for your school's needs:

MADE IN BRITAIN

Manufactured in the UK

NBB Outdoors is proud to be a member of Made in Britain, representing excellence in British manufacturing. Every facilities management product bearing this mark — from bins and signage to barriers, bollards and storage solutions — is designed and built to the highest standards right here in the UK, providing schools with a true symbol of quality, authenticity and trust.

MARKET-LEADING GUARANTEES

Between 5 and 25 years

At NBB Outdoors, our UK-made facilities management products are built to last and backed by market-leading, no-quibble guarantees. Manufactured to BS EN and ISO standards for strength, safety and reliability, they're designed to withstand years of daily school use — and if any issue arises, we'll repair or replace it without fuss.

FREE DELIVERY

On all orders over £250

NBB Outdoors offers Free Delivery on all orders over £250, helping schools stretch their facilities budgets further. Whether you're purchasing a single bin store or equipping multiple areas with signage, bollards or safety products, your order will be delivered quickly and efficiently by our trusted UK logistics network, ensuring every item arrives safely and without delay.

NEW PRODUCT

Reflective Traffic Signs

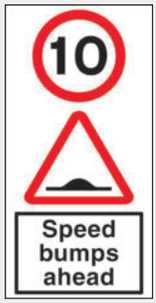

Keep traffic and pedestrians moving safely around your working premises, even in low light conditions

Features & Benefits

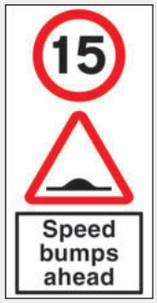

- ✓ Class RA1 reflectivity complies with BS EN 12899-1:2007
- ✓ Ideal for use on private traffic routes, car parks, and industrial estates
- ✓ Highly durable - manufactured from 3mm aluminium composite - last longer than traditional aluminium and holds zero scrap value

Hi-Vis Perimeter Barrier

Highly visible and durable safety solution for securing work zones, warehouses and perimeters

Features & Specifications

- ✓ Bright, high-visibility finish ensures the barriers are easily noticeable, enhancing safety in all environments
- ✓ Ideal for securing work zones, warehouses, and perimeters, providing reliable protection in various settings
- ✓ Made from galvanised mild steel, offering excellent durability and resistance to corrosion
- ✓ Surface-mounted design allows for quick and hassle-free setup, saving time and effort
- ✓ Optional horizontal bar enhances the barrier's structural integrity, offering additional support and preventing unwanted access

NEW PRODUCT

BleedSave Trauma Cabinets

Durable outdoor cabinets built for emergency preparedness. Provide rapid access to vital supplies during mass casualty events or major incidents

Features & Specifications

- ✓ Official counter terror first aid guidance from ProtectUK recommends that life-saving supplies for major trauma "should be mounted on a wall or in a cabinet so it is visible and easy to access by anyone"
- ✓ External cabinet is IP66 rated, ensuring contents remain safe and functional with dust-tight technology and water ingress shielding for prolonged outdoor use
- ✓ Flame-retardant and self-extinguishing performance with non-toxic fumes, compliant with UL94V0 fire resistance standards
- ✓ Durable high impact-resistant polycarbonate construction is suitable for indoor and outdoor environments
- ✓ UV stabilised material prevents sun damage and discolouration
- ✓ Features a clear front vision panel for easy monitoring of kit availability
- ✓ Concealed internal hinges reduce the risk of damage or vandalism
- ✓ Available empty or with a range of quick grab Bleed Control, PAcT or Public Access Community Kits for fast distribution (see online)
- ✓ Cabinets measure 465 x 435 x 240mm

⚠ Important Legal Update ⚠

Simpler Recycling legislation is now in effect — make sure your business stays compliant by following these steps:

- ✓ Separate waste into four key streams as set out by DEFRA: paper/card, plastic, metal/glass, and food
- ✓ Provide compliant bins on-site to make waste sorting easy and effective
- ✓ Do this by shopping our range of compliant bins online or in the catalogue (P54 & P57) by looking out

CHILDREN THRIVE when they have access to engaging outdoor play facilities, helping them build confidence, develop key physical skills and explore their imagination in a safe, stimulating environment. Schools that prioritise outdoor play not only support healthier, more active pupils, but also create opportunities for social development, problem-solving and teamwork. The right equipment can transform any outdoor area into a vibrant learning and play space that enriches daily school life.

NBB Outdoors offer one of the UK's most extensive ranges of durable, low-cost outdoor play products, all made from 100% recycled plastic for long-lasting performance and a greener playground. From our practical, put-down-and-play climbing and trim trail equipment that requires no installation, meaning zero setup costs and immediate use - perfect for busy schools, to play houses and football goals, play boats, sandpits and much more, every item is designed to inspire

MADE IN BRITAIN

Manufactured in the UK

NBB Outdoors is proud to be a member of Made in Britain, representing excellence in British manufacturing. Every piece of outdoor play equipment bearing this mark is designed and built to the highest standards, right here in the UK — a true symbol of quality, authenticity, and trust.

MARKET-LEADING GUARANTEES

Up to 25 Years

At NBB Outdoors, our UK-made outdoor play equipment is built to last and backed by market-leading, no-quibble guarantees. Every own-manufactured product (all but Early Years Play Train) is made to RoSPA playstandards with durable, weather-resistant finishes, each piece is designed to withstand years of daily school use.

FREE DELIVERY

On all orders over £250

NBB Outdoors offers Free Delivery on all orders over £250, helping schools make the most of their budgets. Whether you're buying a single piece of outdoor play equipment or kitting out multiple play areas, your order will be delivered quickly and efficiently by our trusted UK logistics network, ensuring products arrive safely without delay.

Adventure Trim Trail

This sub-surface play set is the perfect stage for imaginative adventures and playful learning. Designed for young adventurers aged 3-12.

***SCHOOLS LOOKING TO CREATE SAFE, RELIABLE AND LOW-MAINTENANCE OUTDOOR SPACES** are increasingly turning to recycled plastic furniture as a superior alternative to traditional timber. Unlike wood, recycled plastic will not split, chip, crack or rot, giving pupils durable, comfortable seating and play areas they can use every day of the year. Fully weather-proof and built to withstand even the toughest playground conditions, each piece is guaranteed for 25 years, offering long-term value and complete peace of mind for busy school environments.*

NBB Outdoors' recycled plastic furniture range is designed with schools in mind: hard wearing, child friendly and robust enough for constant use. From benches and tables to imaginative play pieces, every item delivers exceptional longevity with zero need for staining, sanding or repainting. And for schools purchasing multiple items, bulk-buy savings of up to 15% make upgrading an affordable way to improve outdoor spaces while supporting sustainability goals.

These icons will help you identify the right furniture products for your school's needs:

MADE IN BRITAIN

Manufactured in the UK

NBB Outdoors is proud to be a member of Made in Britain, representing excellence in British manufacturing. Every piece of 100% recycled plastic furniture bearing this mark is designed and built to the highest standards, right here in the UK — a true symbol of quality, authenticity and trust.

MARKET-LEADING GUARANTEES

Between 5 and 25 years

At NBB Outdoors, our UK-made recycled plastic furniture is built to last and backed by market-leading, no-quibble guarantees. Manufactured to BS EN and ISO standards, it will never split, chip, crack or rot, ensuring years of reliable use in busy school environments — and if any issue arises, we'll repair or replace it without fuss.

FREE DELIVERY

On all orders over £250

NBB Outdoors offers Free Delivery on all orders over £250, helping schools make the most of their budgets. Whether you're purchasing a single recycled plastic bench or upgrading multiple outdoor areas with durable, maintenance-free furniture, your order will be delivered quickly and efficiently by our trusted UK logistics network, ensuring products arrive safely without delay.
