WHY RECYCLED PLASTIC IS BETTER

Recycled plastic has been proven in use over many years of outdoor applications including **fencing, playground equipment** and **outdoor** or **street furniture**. Recycled plastic is a great 'eco-friendly' alternative to timber and has a number of fantastic benefits - not to mention it can **last up to 5 times longer** than wooden furniture! See below for our **top reasons** to switch to recycled plastic furniture today.

Reasons To Switch To Recycled Plastic:

1. Guaranteed for up to 25 years
2. Lower whole-life costs compared to timber
3. Visually similar to timber but available in a great range of vibrant colours
4. Extremely tough and durable
5. Requires little or no maintenance
6. Will never rot, crack, peel or splinter
7. Resistant to graffiti and more resilient to other types of vandalism
8. Less flammable than timber (rated Class 3, in accordance with BS476)

WORDS MEAN MORE WHEN SPOKEN!

Story Telling Chair - Great outdoor fun for all ages!

'Tell me a story...' Children love listening to stories and inventing their own ones too. Storytelling helps them to develop their literacy skills alongside social and cooperative skills. Making a special storytelling chair for the quiet area of school playgrounds can make the listening experience more memorable and aid in increasing their attention span which will encourage far greater participation.
