We welcome any professionally designed artwork in EPS, TIFF or high resolution JPG format. This may be in either PC or Mac format.

If you have access to a scanner, please send us your straight aligned (upright) scan in a JPG file with a resolution of at least 150 dpi (but preferably 300 dpi, no higher).

We will return the colour design proof to you by email if you supply your address. Otherwise we will post a print to you.

6 Colour Proof

We will contact you shortly with a colour proof of the mat. We will not proceed with manufacture until we have written confirmation (by fax, email or post) from you that you are happy with the design and layout (artwork changes are charged at £10 per revision). Then we will deliver your custom logo mats as soon as we possibly can.

Please note: If your order is cancelled after you receive the artwork proof, the £35 artwork fee will still be charged.
