Welcome to the latest NBB Recycled Furniture Catalogue,

Summer is nearly here and now is the time to think about utilising your outside areas. Replacing your old timber furniture with 100% recycled plastic has many added benefits, both for the environment and your pocket – it's not only guaranteed to last up to 5 times longer than timber, but it also requires no maintenance!

Inside this edition you will find brand new products and colour options introduced for 2018, and even lower prices across our best-selling ranges! Our Standard Picnic Table is now as low as £290 each (see page 7), and our popular Octagonal Picnic Table can be purchased from only £530 (see page 9)!

Don't Forget - unlike our competitors we offer FREE delivery on ALL orders to UK Mainland addresses - no matter how small your order is! And for your peace of mind we also offer market leading 25 year construction guarantees across our range!

WHY RECYCLED PLASTIC IS BETTER.....

When considering outdoor furniture, using recycled plastic as an alternative to timber has many added benefits both environmentally and financially. To name just a few of the advantages:

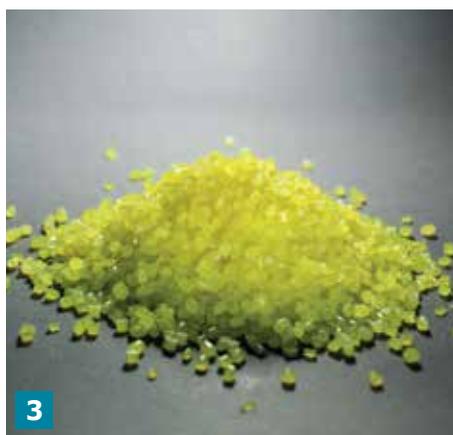

- ✓ **100% recycled** – 1kg of material is derived from 28 two litre milk bottles previously destined for landfill
- ✓ **Labour saving** – all products are **maintenance free**
- ✓ **Safe for all ages**- will **never rot, crack, peel or splinter**
- ✓ **Extremely tough and durable**
- ✓ Made to last - our products are **guaranteed for up to 25 years!**

Story Telling Chair

Great outdoor fun for all ages!

'Tell me a story...' Children love listening to stories and inventing their own ones too. Storytelling helps them to develop their literacy skills alongside social and cooperative skills. Making a special storytelling chair for the quiet area of school playgrounds can make the listening experience more memorable and aid in increasing their attention span which will encourage far greater participation.

100% Recycled Plastic Timber

Recycled plastic timber is manufactured from post-consumer and post industrial waste plastics which is converted into planks and can be used as an alternative to traditional wood timber. Available in a range of standard colours including bright primary colours as well as more traditional finishes and colours similar to wood.

There are many added benefits to replacing your timber furniture with plastic including: it will **never rot, splinter or corrode**; it is **100% maintenance free** - will **never require painting or staining**; it is **extremely tough** and **wear resistant** and as such we **guarantee** our products for up to **25 years**.

- Call for a price if cutting or if large quantities are required
