**NEW
PRODUCTS
INSIDE**

Welcome to the latest NBB Shelters Catalogue

We have been manufacturing **shelters**, **walkways** and **canopies** in the UK for over 25 years. As such, our knowledge and experience has enabled us to develop an expansive range at the lowest prices! Inside this edition you will find **brand new shelters** added for Autumn 2019 including: our **Multipurpose Storage Shelter** (page 16). This modular structure can be purchased in many configurations and is available with two types of cladding (corrugated metal or 100% recycled plastic).

Whatever your requirements we have something to suit you and your budget. However, should you need something a little different we have the capabilities to design and produce this for you (see **page 35** for details).

Complement your shelter with our great selection of accessories including **cigarette bins**; **signage**; **perch seats** and **cycle racks**. The use of **eco-friendly recycled plastic** for outdoor furniture has vastly grown in popularity over recent years and we have become one of the UK's leading manufacturers of these products. See **pages 28-33** for our best-sellers.

PS. For our full range of products visit us online, and don't forget we offer **free delivery** on any order over £250 delivered to UK mainland*.

MULTIPURPOSE STORAGE SHELTER

Versatile shelter available in a range of configurations, perfect for storing wheelie bins or bicycles

NEW

FEATURES & BENEFITS

- Multi-use shelter available in many configurations, the modular design means it is possible to extend the length, it also gives the option for gates and roofing
- Robust freestanding shelter which can easily create a storage shelter suitable for items such as wheelie bins, or for keeping cycles safe and secure
- Can also be used for housing machinery or external workplace items, and makes the perfect buggy storage area for nurseries and crèches

- Choose between recycled plastic cladding or galvanised corrugated metal panelling

OPTIONAL EXTRAS

- Shelter can be supplied with corrugated metal roofing or left open if not required
- Cycle racks can be added for use as a bike storage shelter
- Gates are optional and can be manufactured with half opening for easy access to wheelie bins
- Option to powder coat frame in a RAL, contact our sales team for a price

CUSTOM OPTIONS

Available in a choice of standard size alternatively call for a price on a custom size option, due to our modular design system we have the ability to customise any shelter, walkway or canopy. Please contact our friendly sales team for an estimate.

Model Shown: MBS06*

INSTALLATION

These shelters are easy to install and supplied with GA drawings. Alternatively we have teams of experienced installers who can carry out the works for you, contact our friendly sales team for a price.

CORSCOMBE CYCLE SHELTER

Multipurpose shelter with corrugated metal back/roof, and option to personalise with own branding

FEATURES & BENEFITS

- New design shelter perfect for storing cycles or for use as a bin store
- The galvanised corrugated metal back panel hides the view from overlooked buildings
- Open front allows for easy access, whilst the freestanding design makes it possible to place the shelter in a chosen location

SPECIFICATIONS:

- Corrugated galvanised steel covers the roof and back sections
- Optional side panels made from clear polycarbonate, UV stabilised will not turn yellow or brittle in sunlight
- Designed to be used with Sheffield toast racks for up to 10 bikes, or comfortably fit large wheelie bins

OPTIONAL EXTRAS

- Galvanised cycle racks sold separately, shelter can accommodate up to 10 cycles (supplied as two and three stand racks)

- Optional vinyl signs can be added to the shelter for own branding or simply to identify the purpose of the structure (contact our sales team for further details)
- Side panels supplied separately

CUSTOM OPTIONS:

Available in one standard size alternatively call for a price on a custom size option, due to our modular design system we have the ability to customise any shelter, walkway or canopy. Please contact our friendly sales team for an estimate.

INSTALLATION

These shelters are easy to install and supplied with GA drawings. Alternatively we have teams of experienced installers who can carry out the works for you, contact our friendly sales team for a price.

Simple yet attractive design ensures shelters adapt to suit any outdoor location

FEATURES & BENEFITS

- Stylish shelter with a domed roof, great for use as a waiting shelter in Airports, Rail Stations or Shopping Centres
- Spacious structure in a traditional four sided design
- Full length glazing allows for full protection against adverse weather

SPECIFICATIONS

- Aluminium powder coated frame acid etched and powder coated in our choice of RAL colour
- Fibreglass roof with a high impact outer gel surface and high UV resistance
- 6mm scratch resistant co-polymer/ acrylic glazing ensures the shelter feels light and airy
- Perch seats are sold separately see page 5 for more details

OPTIONAL EXTRAS:

- Non- standard RAL colour to match your business colours and/ or existing surroundings
- Add perch seats for additional comfort, available in a choice of 4 standard RAL colours (see page 5)
- Shelters are supplied surface mountable as standard, optional extended feet can be purchased for sub-surfacing

INSTALLATION:

- Our shelters, walkways and canopies are easy to install and come supplied with full assembly instructions. Alternatively we have teams of experienced installers who can carry out the works for you, contact our friendly sales team for a price.
