Why Choose Recycled?

As we all know, the amount of plastic waste each year is staggering, and our eco-friendly recycled plastic furniture range can help save thousands of plastic bottles from entering landfill.

The benefits of recycled plastic significantly outweigh traditional timber. Considering both financial and environmental factors, recycled plastic is considerably superior to its timber or metal equivalents.

We manufacture all our products from 100% Recycled High-Density Polyethylene (HDPE). When recycled, it is an extremely hardwearing, versatile material, making it a perfect choice for all-weather outdoor furniture. It has a significantly lower carbon footprint than timber or metal equivalents, using less energy and water and emitting lower levels of CO₂ in its production.

What Do Our Customers Say?

Here are a few of our latest product reviews...

King Charles III Coronation Captain's Treble - see p21

"I love my bench for the easy cleaning (just wipe it down) and the amazing colour pop it brings to our garden. Plus it is super comfy and no splinters!" **Ms. Mead**

"The table is really well constructed, will last for a long long time and looks great. Fast and friendly service from a local company. Very happy with the purchase." **Mr. Bemand**

Hampton Court Flower Show

"NBB were amazing, sponsoring my display at this year's Hampton Court Flower Show, 'Plastic Fantastic', where we won a Silver Gilt medal. The garden tackled the issue of plastic waste in horticulture with creative alternatives to landfill that enhance the garden. The recycled furniture and accessories from NBB were the 'cherry on top of the cake', quite literally transforming the garden from a landscape project into something that you really could live in. We had looked around the market before approaching NBB but can say wholeheartedly that their range and quality is second to none."

Hana Leonard, Secrets Of The Garden

Small Coffee Table - see p20
Adirondack Chair And Footstool - see p30
Picket Fencing - see p49

Wheedon Sports Association

"Our second purchase from NBB. Great products - really robust and heavy too! They are easy to assemble. Very good value for the money. We can see these giving years of maintenance free service at our sports complex. Highly recommend NBB for quality, product, customer service and delivery."
