Continue To Optimise Your School's Outdoor Space This Term And Beyond

Now that schools are back open and nationwide restrictions are being gradually eased, ensuring your outdoor spaces are fit for use has never been more crucial as we adjust to life in the 'New Normal'. It remains highly likely that **strict social distancing practises will continue to be a crucial operational requirement** for the foreseeable future, so introducing furniture outside to make better use of your available space is a **great way to stay compliant with government regulations**, whilst creating more comfortable lesson and recreational areas for your staff and students to enjoy – just in time for summer.

When considering your outdoor furniture, NBB recycled plastic is the perfect choice, as the material looks like timber but can last outside all year round without the need for annual maintenance. All our furniture is offered at competitive prices and comes with our **market-leading 25-year warranty!** It is extremely hard wearing, **guaranteed never to split, chip, crack, or rot**, and the non-porous properties make it easy to clean between uses. Not only does our recycled plastic furniture look great, but it has also **helped many of our happy customers achieve their environmental goals**.

Inside our latest catalogue, you will find our most popular ranges available with **fantastic bulk-deal savings**, including our Standard A-Frame Picnic Table on page 5, which comes with a **saving of up to 16% each** with multiple purchases. You will also find our Junior Backless Benches on page 13, available for as little as £95 each, making them **fantastic value for money**.

P.S. Don't forget, we offer **free delivery on all orders** with a UK mainland address* and **30-day instant credit** to established businesses and educational establishments. Order now and **continue to optimise your school's outdoor space this term and beyond!**

Our customers love our products!

Wonderfully easy to build and excellent quality. First bench we ordered caught us out completely as it was delivered the very next day! We like both the furniture and the ethos so much I'm sure we'll be back for more.

Why Recycled Plastic Is Better

- ✓ **100% recycled**
1kg of material is derived from 28 2-litre milk bottles which were previously destined for landfill
- ✓ **Labour saving**
Save ££'s on maintenance, all products guaranteed to be maintenance free!
- ✓ **Safe for all ages**
Will never rot, crack, peel or splinter
- ✓ **Extremely tough and durable**
Our products are guaranteed for up to 25 years!
- ✓ **Easy to wipe clean and disinfect**
Non-porous material is straightforward to sanitise between uses

Did you know?

Our eco-friendly recycled plastic furniture range can help save 1,000's of milk bottles from entering landfill. Look for this symbol to see how many milk bottles are saved for each piece of furniture. We've saved over 33 million bottles so far!

NBB Recycled Furniture are now proud members of the 'Made in Britain' organisation

Made in Britain are a growing British manufacturing community, united with the use of the registered collective mark. This mark can only be used by members of Made in Britain, who have to meet strict criteria to guarantee the products on offer are manufactured to the very highest standard here in Britain.

NBB Recycled Furniture is a proud sponsor of the School of Kindness

Running free kindness workshops for children across the UK, 52 Lives' School of Kindness help to create a culture of kindness in schools.

The aim is to empower children by helping them realise that the little choices they make every day have the power to change lives and change the world, while also improving their own physical and mental health. School of Kindness also offers free lesson plans and resources for teachers, as well as small grants to children with amazing ideas for spreading kindness.

As stated by British Standard BS8300-2:2018; "a building should be designed, built and managed in an inclusive way. Designing to address and integrate the access requirements of all people, irrespective of their personal circumstances as a part of mainstream design achieves an inclusive environment which is always preferable to designating separate or specific features" (BSI Group, 2018).

Reasons To Buy Recycled Furniture >>>

The best picnic table on the market

"I did quite a lot of research on which picnic table to buy. There are plenty of options, but many are made from cheap pine that will last for a relatively short time. In the end, I decided to order a table from NBB Recycled Furniture.

The result is amazing. The strongest and most weatherproof picnic table on the market. It will last for decades! Full marks to NBB!"
