

# NBB School Shelters

# Playground markings for schools.

Making outdoors fun!

We are an independent UK based company with over 15 years experience specialising in bespoke and custom designed thermoplastic playground markings.

We work with Schools, Nurseries, Councils, Children Centres and many other organisations across the country helping them make good use of their outdoor space creating a successful environment for outdoor learning sports and play. We can transform dull playgrounds into educational, fun and captivating areas creating a successful environment for learning outside of the classroom.

We are passionate about what we do and take great pride in delivering the highest level of satisfaction to our customers.

**Non-Toxic**  
Our products are environmentally friendly and contain no lead or chemicals.

**4 Year Warranty**  
Our playground markings come with a full 4 year warranty.

**Durable and Safe**  
Our playground markings last 8-10 times longer than paint and are also non-slip.

**Price Promise**  
Find the same product or deal for a better price and we will beat it!

# Car Parks & Road Markings

With the defined finish and durability our preformed Thermoplastic comes highly recommended for the use on roads and in car parks.

With glass beads evenly disbursed throughout this 3mm thick material it ensures optimum reflection for safety and comfort after dark which lasts the entire service life of the material.

To give you an idea of its durability it is being used in the London congestion areas and on the new blue cycle routes.

All carpark designs are made to measure so,  
call to book a site visit!

# Testimonials

The playground looks wonderful and bright, thank you so much. Your service and workmanship were both A1. We would highly recommend you.

**Michele**  
**Our Lady of Lourdes**

Nina – we are absolutely thrilled! Thank you so much for organising this so quickly for us. The playgrounds have been transformed.

**Alison**  
**Two Village School**

We are delighted with our lovely new, colourful, line markings in the KS1 playground. The children were so excited. Please convey our thanks to Martin who came in last Sunday morning to install the markings. I appreciated this excellent service as I thought that the rain on Saturday would delay the work for at least another week. A great commitment to the job!

**Diana**  
**Our Lady of Ransom**

Quickly and efficiently organised the installation and accommodated changes. Staff were friendly and completed in the time stated – even with additional work! Markings look great too. Thanks

**Louise Anderson**  
**Thriftwood School**

An absolute pleasure to deal with, nothing was too much trouble with complete professionalism at all times. The installation was trouble free and organised. I would highly recommend ThermoPlastic Designs and Lines.

**Clare**  
**Lawnside Lower School**

*My teacher takes me onto the playground and I learn my numbers, it's fun.*

**Harrison**  
**Aged 5**

Dear Nina, I am writing to thank you and the whole team at ThermoPlastic designs and lines for the superb work you have done on our playground.

Your friendly and flexible approach meant that we have ended up with exactly what we wanted for the benefit of the children of Heycroft Primary School. The work was completed with great efficiency, clear communication and attention to detail and is of very good quality.

We look forward to enjoying the fruits of your labour for many years to come. With many thanks once again.

**Mr A. Palmer, Headteacher**  
**Heycroft Primary School, Leigh on Sea, Essex**
