

Product Information

Solopol® Classic

Traditional hand cleanser with time-proven cleaning system for heavy-duty skin cleansing.

DESCRIPTION

Solopol® Classic is a traditional, solvent-free, pH skin neutral hand cleanser containing scrubbing agent. It features a powerful cleansing action coupled with very good skin compatibility. Solopol® Classic contains a skin protectant and re-fatting agent.

AREA OF APPLICATION

For heavy-duty contamination, for instance from mineral and lubrication oils, graphite, metallic dust and carbon black.

ENVIRONMENTAL CHOICE AUSTRALIA CERTIFIED PRODUCT

The product has been independently certified as meeting the requirements of Good Environmental Choice Australia

PRODUCT DESCRIPTION

Beige, colourant-free, perfumed, viscous suspension with natural scrubbing agent Astopon®.
